

# 12 Series

3

## Vinyl Coated Brass Padlocks

The 12 series padlocks are built to the same specification as the highly popular 10 series, but with the added protection of a strong vinyl cover. The vinyl cover is available in three attractive colours and provides protection, not only for the padlock, but also for the equipment being secured. The 12 series padlocks are therefore highly suitable for securing luggage, tool boxes, sports equipment and for many other uses.
