

24 Series

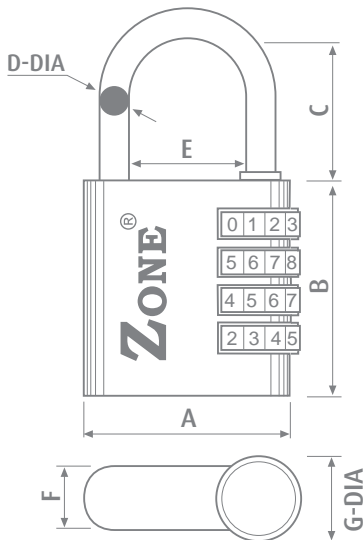

Brass Combination Padlocks

The 24 series combination padlocks offer the convenience of security without having to carry keys. The 3 x 10 / 4 x 10 digit code system is easily reset to your own personal combination (see instruction leaflet). Available in 2 body sizes, constructed in solid brass, these products are attractive enough for use on luggage or other personal property, and are also robust enough for use on tool boxes.

General Specification

- Steel shackle
