## Brass Resettable Combination Padlocks

The 27 series combination padlocks offer the convenience of security without having to carry keys. The 4 x 10 digit code system is easily reset to your own personal combination (see instruction leaflet). Constructed in solid brass and available in polished brass or satin chrome finish with hardened steel shackles, these products are attractive enough for use on luggage or other personal property, and are also robust enough for use on tool boxes.

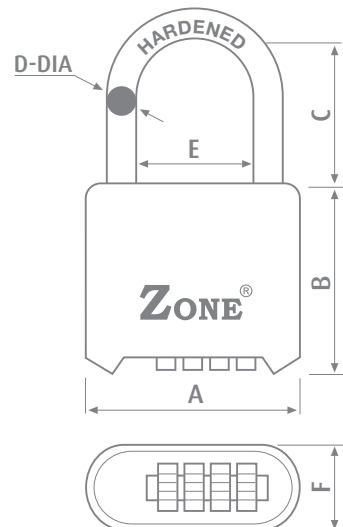

### General Specification
